

SHEARD AVENUE

FUTURE RELEASE

HAGGERT AVENUE

## PERFECTLY PLANNED

A private enclave surrounds outdoor amenities, extending your living space out into the fresh air. Imagine sitting under a shady gazebo with your neighbours, as your children run and play in a private playground. Or an evening spent picnicking outdoors with friends and family in the BBQ area. Stroll along under the trees on a sunny afternoon. It's time to get in touch with the things that matter most.
